### **St Ambrose Barlow RC High School**

#### **Introduction**

- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- To understand how to make applications for a full range of academic and technical courses

##### **Premises and Facilities**

The school will make the main hall, classroom or private meetings rooms available for discussions between the provider and students, as appropriate to the activity. The school and will also make available AV and other specialist equipment to support the provider presentations. This will be discussed and agreed in advance of the visit with the Careers Team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Main Reception and these will be passed to the Careers Team and placed for pupils to access.

Our safeguarding/child protection policy outlines the school's procedure for checking the identity and suitability of visitors.
